Make Kindness the Norm

Are you and your Girl Scout ready to spread kindness this spring? Your kindness challenge (if you choose to accept it) is to complete 10 acts of kindness during the next 10 days. Sounds simple at first, but you are probably already super busy with school, chores, sports, and hanging out with friends, so doing an extra something on top of all that for 10 straight days is a good challenge we think—but one we know you can do.

Calling all artists! Share your creativity by having your art featured in Girl Scout DreamLab. We are searching for artists of all ages from around the state to submit their idea for an art piece that follows the theme "Your dream for the future."
