### Make Kindness the Norm

Are you and your Girl Scout ready to spread kindness this spring? Think back to a time when an unexpected, pleasant surprise happened to you. It might have been a stranger offering to help you with your packages or a simple note of kindness on a rock on a hike. Now think back to times when you have shared kindness with others—how did it make you feel? Random Acts of Kindness are unplanned, and often unrecognized, acts that we do to spread positivity to others in our community.

In the Kindness Challenge patch, Girl Scout Cadettes, Seniors, and Ambassadors explore the power of kindness and how both receiving it and sharing it with others can profoundly change the world, one kind act at a time.
