

Global Girl Scouts

Global Girl Scouts strives to increase girls' awareness about the world, promote cross-culture learning opportunities, and educate girls on relevant global issues and inspire them to take action. Our goal is to encourage a global voice for girls and foster responsible global citizens who make the world a better place while creating a global sisterhood.

WAGGGS

As Girl Scouts we are all members of the World Association of Girl Guides and Girl Scouts (WAGGGS). Together we are the largest voluntary movement dedicated to empowering girls and young women in the world. WAGGGS enables girls and young women to develop to their fullest potential as responsible citizens of the world. WAGGGS creates free downloadable activity packs addressing issues that face girls and young women globally.

Visit wagggs.org for activity packs and more information.

Global Action Award

Each year, Girl Scouts of all levels can earn the Global Action Award. This award connects the World Association of Girl Guides and Girl Scouts (WAGGGS) with a sisterhood of about 10 million girls in more than 150 countries by helping girls work together to make a difference on a topic that affects girls and women all over the world.
