4 Her Promise

There are only so many hours in a day, and girls and their families have to balance many growing and diverging interests, commitments, and responsibilities. That's why Girl Scouting today is more flexible than ever!

Girl Scout troops rely on volunteer support for girls to receive the best experience possible. Your troop leaders have committed to provide the primary guidance and support for the troop, but all families are asked to give what they can...

We are asking for your promise of 4 hours per family per year – 4 HER.

What can a 4-hour promise really do?

- 4 Her Promise is an open door to participation for parents and family members.
- It can build a solid support base, and strengthen a girl's chances of longevity with the troop.
- You'll witness the positive effect your participation has on the troop and your daughter.
- Your troop can accomplish so much more, with just a little help.
- Communication between you and other troop families significantly increases.
- You build future volunteers as children witness parent volunteerism firsthand.
