

# Girl Scouts of Colorado Commitment to Caring Patch Program

The GSCO Commitment to Caring Patch Program reflects the principles of the Girl Scout Law, which encourages Girl Scouts to commit to being friendly, helpful, and caring. Engaging in service projects that support communities is a vital aspect of being a Girl Scout, showcasing their dedication to the well-being of others and making the world a better place.

Commitment to Caring Patch Program can be used within a troop or a Service Unit. Each rocker has a theme - use the theme for monthly donations during the school year - or however else you choose!

Main Patch and Rockers available online or at the GSCO Store.

# Commitment to Caring
