#### TCM TIP:

Girl Scouts who participate in cookie rallies consistently reach higher goals. At rallies, girls get excited about the upcoming cookie season, sample cookies, participate in activities, and the Five Skills at activity stations.

- Rallies are hosted around the state. Troops might organize and host a rally in collaboration with the service unit.
- Check in with your service unit about rally events in your area, and also look for rallies on the <u>events calendar</u> on the Girl Scouts of Colorado website for details.
- To help with planning, Little Brownie Baker's (LBB's) rally guide has themed activities for service unit or troop rallies! Find the guide on the Cookie Resources page. There are great activities for Girl Scouts with the guide, perfect for your Juliette!

### What's New

#### 2025 Cookie Program – Final season for Girl Scout S'mores Cookie

This year will be the last for the iconic Little Brownie Baker (LBB) S'mores cookie, making way for a new cookie in 2026. No word yet from our baker on what the new cookie flavor will be. We asked for just a hint, but they wouldn't budge!

Girl Scout S'mores cookies make up an average of 5% of GSCO cookie sales overall. Ordering 5% S'mores in your total Initial Order (IO) of cookies is recommended, or order the percentage of S'mores cookies that has historically fit the inventory needs of your troop and cookie booths best. Cookie Cupboards will be stocked with S'mores cookies too.

#### **Cookie Price Increase**

- Due to the increased cost of ingredients such as cocoa and sugar, Girl Scouts of Colorado must raise the price per package of Girl Scout Cookies.
- The cost for core variety cookies for the 2025 season will be \$6 per box. The cost for specialty cookies will be \$7 per box. 82% of Girl Scout councils across the nation are already at this price point or higher.
- The cost of cocoa and sugar has increased more than 200% in the last year, and that has caused an increase in the amount Girl Scouts of Colorado pays for each package.
- 100% of cookie proceeds stays right here in Colorado to fund an amazing Girl Scout experience for girls across our state.

#### **Troop Proceeds Increase and New Juliette Program Cookie Credits**

• All Girl Scout troops will earn \$0.95 per package sold. Troops with a selling girl average of 400+ packages will earn \$1.00 per package sold. Juliettes do not earn troop proceeds, but they do earn rewards, Cookie Credits, and the new Juliette Program Cookie Credits. see pages 23-24 for more information.

#### eBudde updates

- Booth selection, can now go "back one step" rather than "all the way back" to start with each booth selection, by choosing "add another day" option in "success" pop-up window.
- Troop site transactions, can now split distribution of donations separate from shipped
- Cupboard transactions, "X" will only show over varieties *not* available
- Dashboard, unread messages banner will pop-up on dashboard.

#### Digital Cookie/ DOC updates

- GSUSA focused on fixing issues from last cookie season
- Streamlined customer information input process and added Venmo and PayPal transaction options in app

### **The Purpose**

#### The Purpose of the Girl Scout Cookie Program

While girls are meeting customers, they are bound to get asked questions. It's important for adults to be aware of the questions that people may ask and to help the girls be prepared to answer the questions.

#### "Why do girls participate in the Girl Scout Cookie Program?"

Troop proceeds and individual girl rewards are important but are not the only reason. Girls develop the Five Skills and confidence as they participate in the Cookie Program:

- **Goal setting:** Girls learn how to set goals and create a plan to reach them!
- **Decision-making:** Girls learn to make decisions on their own and as a team!
- *Money management:* Girls learn to create a budget and handle money!
- **People skills:** Girls find their voice and build confidence through customer interactions.
- **Business ethics:** Girls learn to act ethically, both in business and life.

#### "How much money do the Girl Scouts get?"

This question is frequently asked by customers. The answer is not \$0.95 or \$1.00 per package. The answer is: Girl Scouts get all of it!

- 100% of the Cookie Program proceeds stay in Colorado to provide the Girl Scout Leadership Experience to girls in our communities.
- Cookie money provides financial assistance for membership when needed and opportunity grants for girls to attend GSCO events, camps, and council-wide girl programs, as well as funding for Girl Scout programming, properties, camps, and events.
- The only portion of the \$6 or \$7 cost per package that doesn't stay in Colorado, is what we pay to the bakery to make the cookies.

#### "What is your troop going to do with the Cookie Program proceeds?"

Girls should decide as a troop how they want to spend the proceeds they earn. Troop proceeds are deposited into the troop bank account and can be used to fund lots of activities girls want to do throughout the year, and proceeds can be used to purchase, badges, or uniforms, save for a troop trip or camp out - whatever girls choose!

#### "What have you learned in Girl Scouts" or "What do you like about Girl Scouts?"

Girls can tell customers about adventures they've had, friends they've met, skills they've learned, and the ways they've given back to their communities. Each girl's story is her own and each troop's story is its own.

#### When Girl Scouts share their stories, the community learns the *true impact* of Girl Scouts!

# **Why Participate?**

#### Why Participate in the Girl Scout Cookie Program?

The Girl Scout Cookie Program is the premier entrepreneurial program for girls in the world. What do we mean by entrepreneurial? The definition of an entrepreneur is someone who creates and manages a business. The Cookie Program offers girls the opportunity to do just that as well as learn about and market their product, engage customers, and set and accomplish goals.

#### **Delivering on Our Promise**

Girl Scout Cookies and the annual Cookie Program play a crucial role in Girl Scouts of Colorado's ability to:

- Deliver quality programming for girls;
- Train adult volunteers;
- Provide financial assistance for girls' fees for camps, other activities, and events.

Girl Scouts helps girls learn more about themselves and their abilities through skill-building activities and opportunities to try new things, connect with others to create change, and take action by developing projects that make their communities and the world a better place.

The Girl Scout Cookie Program is the core of the Entrepreneurial Pillar that is part of the Girl Scout Leadership Experience along with STEM, outdoor experiences, and life skills. As cookie entrepreneurs, Girl Scouts gain essential skills and work as a team to accomplish common goals and solve problems, while building the confidence they need to shine as girls, as young women, and as future leaders. They have lots of fun along the way too.

Participation in the cookie program is voluntary. Caregiver permission is required to participate is Parents/caregivers MUST complete a permission form and turn it into their TCM. The Cookie Program permission form is included in the family guide, along with the QR code to the digital version of the form.

#### **Learning Life Skills**

The Girl Scout Cookie Program helps girls learn and practice the life skills embodied in the Promise and Law. During cookie activities, girls are members of a team working toward a common goal, with each girl striving to do her best. So, when Girl Scouts go to friends, family, and door-to-door with this year's best-selling cookies, they're becoming the business leaders of tomorrow!

The Girl Scout Cookie Program helps ensure the future of Girl Scouting. All the proceeds from our Cookie Program remain in Colorado. The revenue is used to benefit girls, some is used to fund troop activities, and some of it indirectly by subsidizing the cost of providing Girl Scout programs to girls statewide.

# Ways to Participate

#### Digital Cookie | Jan. 9-March 16 (Girl delivery orders will end Sunday, March 9, 8 p.m.)

Girl Scouts and their caregivers will gain access to Digital Cookie/DOC as early as Jan. 5, giving them time to personalize the Girl Scout's site ahead of Digital Cookie opening for orders.

On Jan. 9, Digital Cookie opens for cookies sales. Girl Scouts can send emails to invite customers to buy cookies and support their goals, with the option of choosing either in-person delivery (starting Feb. 2 or later), direct ship to their homes, or customers can buy cookies to donate to Gift of Caring.

#### Door-to-Door | Jan. 9-March 16

Girl Scouts can go door-to-door in their neighborhood and use the Digital Cookie app, to make girl delivery cookie sales, take payments through the app, and then return to customers starting Feb. 2 or after, with cookies in-hand to fulfill orders.

Girl Scouts can also promote orders for cookies with the paper order card, but should not take payment for cookies until they have cookies in-hand to give to customers to fulfill orders.

If a customer isn't home when a Girl Scout knocks, they can leave a door hanger or a Digital Cookie business card with the QR code/link to the Girl Scout's online store. Customers can then place a cookie order through Digital Cookie at their convenience!

Do respect no solicitation signs and don't leave anything in mailboxes!

#### Cookie Booths | Feb. 2-March 16

Girl Scouts can build on the momentum of their initial orders by getting creative with a booth event. They can set up shop as a family (My Sale booths) or as a troop in front of retail stores or other community spaces. Girls will enjoy working towards their goals together.

**Booth Resources for Girl Scout families and TCMs** - cookie boards, goal charts, and signage to share on the Little Brownie Baker website.

Cookie Captains, Girl Scout Cadettes, Seniors, and Ambassadors, are experienced, cookie business experts, and they're available to mentor younger Girl Scouts at a troop meeting and/ or cookie booths! Contact your service unit cookie manager (SUCM) to connect with Cookie Captains in your area and request their support.

#### Five Fab Booth Tips

1) **Be prepared!** (Dress for weather, bring enough cookies and change, show up with time to set-up)

2) **Bling your Booth!** (Decorate booth and be sure to include your goal and Hometown Hero)

3) **Know your cookies!** (Be ready to talk about favorite flavors and cookie ingredients)

4) **Make the ask!** (Ask every customer and say thank you whether they buy cookies or not)

5) **Girl and adult safety is our priority.** (Girl Scouts and adults are expected to adhere to all safety guidelines outlined in the TCM Guide, and Family Guide, as well GSUSA internet safety guidelines. )

# **Inspire Cookie Entrepreneurs**

#### Skills they build

The Girl Scout Cookie Program<sup>®</sup> helps Girl Scouts develop real-world skills in five essential areas:

#### **Goal Setting**

Girl Scouts learn how to set goals and create a plan to reach them.

*How you can help:* Encourage them to set incremental, achievable goals. Work with them to break down their goals into small, frequent wins like weekly challenges.

#### **Decision Making**

Girl Scouts learn to make decisions on their own and as a team. *How you can help:* Talk about how they plan to spend the troop's cookie earnings.

#### **Money Management**

Girl Scouts learn to create a budget and handle money.

*How you can help:* Build on their interest in learning to manage all facets of the cookie business, like creating a budget to fund a troop experience or figuring out the percentage of customers who chose the donation option.

#### **People Skills**

Girl Scouts find their voices and build confidence through customer interactions. *How you can help:* Ask them about new marketing ideas they want to try. They can discuss how to tailor their cookie pitch to achieve their goals.

#### Cookie business badges

Entrepreneurs can earn these official Girl Scouts<sup>®</sup> recognitions by completing requirements that help them develop new business skills.

Learn more at girlscouts.org!

#### Getting families involved

Families can support their Girl Scouts as they learn the five skills and think like entrepreneurs. With the encouragement of their family, there's no stopping a Girl Scout!

# Safety

#### Girl Scout Cookie Program Safety Tips

Before participating in the Girl Scout Cookie Program, it is imperative for adults and girls to become familiar with and follow the safety guidelines listed below. This not only ensures girls' safety, but also creates a fun and successful experience for all.

**Show you're a Girl Scout.** Wear the Girl Scout membership pin, vest, sash, or other Girl Scout clothing to identify yourself as a Girl Scout.

Buddy up. Always use the buddy system. It's not just safe, it's more fun.

**Be streetwise.** Become familiar with the areas and neighborhoods where you'll be selling cookies.

**Partner with adults.** Adults must accompany Girl Scout Daisies, Brownies, and Juniors when they're taking orders, selling cookies, or delivering cookies. Girls in grades 6–12 must be supervised by an adult when selling door-to-door and must never sell alone. Adults must be present at all times during cookie booth sales.

**Plan ahead.** Be prepared for emergencies, and always have a plan for safeguarding money.

**Do not enter any homes or vehicles.** Never enter someone's home or vehicle when you're selling or making deliveries. Avoid selling to people in vehicles, except at designated drive-thru cookie booths, or going into alleys.

Sell in the daytime. Sell only during daylight hours, unless accompanied by an adult.

**Protect privacy.** Girls' names, home addresses, and email addresses should never be given to customers. Protect customers' privacy by not sharing their information except when necessary.

**Be safe on the road.** Always follow safe pedestrian practices, especially when crossing at intersections or walking along roadways.

Be aware of traffic. When unloading products and passengers from vehicles, watch out for traffic.

**Be safe online.** Girls must have their parent's or caregiver's permission to participate in all online activities and must read and agree to the GSUSA Internet Safety Pledge before conducting any online activities. Additionally, to participate in Digital Cookie, girls must read and abide by the Girl Scout Digital Cookie Pledge, and caregivers must read and abide by the Digital Cookie Terms and Conditions for caregivers.

# What if?

#### Theft, Robbery, Counterfeit Money, Burglary, or Fire

GSCO does not take financial responsibility for any of the circumstances of a theft, robbery, burglary, or fire, but we will evaluate each circumstance on a case-by-case basis to provide assistance to a troop.

- A few recommendations to assist a troop in recovering the loss:
- The police/fire department must be called, and a report taken within 48 hours of the incident.
- The number of packages and/or money lost must be specified on their report and/or insurance claim.
- A copy of the police/fire report must be submitted with a Money Problem Report by 8 p.m., March 21, 2025.
- In some cases, homeowner's or rental insurance will cover the cost.

**Do you have other concerns about booths, safety, or media?** *For emergency situations call 9-1-1 and notify council by calling the emergency hotline at 303-607-4818.* For non emergency situations or to report an incident related to cookie sales, contact your volunteer support specialist, product program specialist, or contact GSCO customer care at 877-404-5708 inquiry@gscolorado.org

#### **Customer Complaints**

GSCO expects a certain number of product complaints every year that range from a customer not liking the taste of a cookie to finding an empty package in a case of cookies. Some customers call the Little Brownie Bakers Consumer Affairs number, which is listed on the cookie package. Many customers call a GSCO office or return the package directly to the girl or troop. Regardless of the nature of the complaint, if a customer informs a troop that there is something wrong with the cookies they received, please follow the steps below.

- 1) Record the customer's name, contact information, and nature of the problem.
- 2) Ask the customer to save the package of cookies if possible and let them know a Customer Service Representative from Little Brownie Bakers will contact them.
- 3) Call or email a Product Program team member immediately to relay the information.
- 4) Replace the cookies for the customer any variety- or offer a refund.
- 5) Bring the returned product to a cookie cupboard and exchange for a replacement or to an SUCM for credit in eBudde.
- 6) Please fill out the Cookie Action Report: https://girlscoutsofcolorado.formstack.com/forms/cookie\_action\_report

**TCM Tip: How to handle difficult questions or situations**—If you or your Girl Scout Juliette have an uncomfortable experience or are asked difficult questions while participating in the Cookie Program, please contact your service unit cookie manager and product program specialist at Girl Scouts of Colorado. *We are here to support you!* 

## **Policies and Procedures**

#### **Cookie Program Policies and Procedures**

With thousands of Colorado Girl Scouts participating in the Cookie Program, it is essential to have guidelines to ensure every Girl Scout has a chance to be successful. GSCO appreciates everyone abiding by our policies and procedures, incorporating the Girl Scout Promise and Law into the Cookie Program, and sharing them with the families in each troop.

#### Troops

- What is a troop? A troop consists of two unrelated, registered, and background checked adults as well as a minimum of three registered girls.
  - o Troops must meet the minimum definition of a troop to earn troop proceeds.
- If a Girl Scout leaves a troop, proceeds earned during the Fall Product and Girl Scout Cookie Program, or any other troop money-earning endeavor, DO NOT follow the girl. Troop funds are not the property of any individual girl. Troops earn proceeds. Girl Scouts earn rewards and Cookie Credits.

#### Juliettes

• Juliettes do not earn troop proceeds from cookie sales. They do earn rewards, Cookie Credits and the new Juliette Program Cookie Credits.

#### **Online Cookie Sales**

- All online cookie sales must go through Digital Cookie/DOC site. A Girl Scout's online storefront URLs may be posted on public and private social media sites (including NextDoor), per GSUSA, except:
  - o Digital Cookie/DOC links should not be posted on resale sites for example, eBay, Facebook Marketplace, Facebook Swap, etc., as they are high buy and trade retail environments that pose a safety risk to girls.
- Girl Scouts and their caregivers should continue to follow safety guidance outlined in:
  - o Girl Scout Internet Safety Pledge
  - o Digital Cookie Pledge
  - o Supplemental Safety Tips for Online Marketing
  - o Girl Scouts' Safety Activity Checkpoints.
- Full name, personal emails or street addresses of Girl Scouts should never be used. Instead, use an adult's account, or a group account that is managed by an adult.

#### Paid Media

Volunteers, parents/caregivers, and Girl Scouts may NOT secure paid media to enhance a troop or individual positioning in the media.

#### **Cookie Booths**

Girl Scouts of Colorado allows TCMs/caregivers to determine the best location for My Sales booths. All My Sales sites are subject to approval, and they will not be denied only on the fact they may be located near an adult-oriented business.

# **Policies and Procedures**

# • All booths must meet safety and security guidelines and not conflict with another booth location.

- o Additionally, DO NOT keep the cash box for cookie sales on the booth table.
- o Any form of a troop donation jar is not allowed at cookie booths.
- Girl Scouts of Colorado reminds all participants that when you are selling Girl Scout Cookies you are representing Girl Scouts. Council reserves the right to remove any booth, for any reason, at any time.

#### **In-Person Order Taking**

- Girls should NOT leave any items in people's mailboxes. Leave a business card or door hanger at the door instead if that is permitted in area. Be respectful of no soliciting signs.
- Girl Scouts should be a sister to all other Girl Scouts they encounter when selling cookies!
- Per established policies by GSUSA, girls cannot sell cookies to a business that plans to resell the product.

#### **Girl Delivery**

- Communicate with customer and coordinate time and location of cookie delivery. Also communicate any delays or changes and schedule a new time/date if necessary.
- Remind customers to bring the cookies inside as soon as possible.
- Find a special way to say thank you! Girls can leave a personalized note with the cookie delivery or send a thank you text or email after delivery.
- Adults should accompany Daisies, Brownies, and Juniors on all cookie deliveries and/or at any scheduled customer product pickups. It's recommended that Cadettes, Seniors, and Ambassadors make deliveries with a friend or an adult.

#### **Additional Money Earning**

- No additional money-earning activities may take place from Feb. 2 (Cookie Program start date) to March 16, 2025 (end date).
- Girl Scout/troop participation in the Fall Product and Girl Scout Cookie Programs is optional. However, GSCO/GSUSA does ask that troops, groups, and Juliettes not detract during Girl Scout product programs with additional money earning of their own.

#### No Returns

- **Girl Scouts of Colorado does not allow cookies to be returned.** Cookies distributed through the initial order (I.O.) and/or cupboard orders belong to and are the financial responsibility of the Juliette Caregiver TCM.
  - When cookies are distributed to the Girl Scout, allocated in eBudde, and with signed receipt, they become the financial responsibility of the Girl Scouts' caregiver(s).
  - Troop TCM—get signed Cookie Program permission form.

• Requests for reimbursements for a girl membership fee, GSCO event fee, travel, Highest Award project expense, or GSCO day camp or summer camp should be submitted within 90 days and/or within the same membership year.

#### Also note:

- Cookie Credits do not have a cash value.

### Girl Scout Juliette Program Cookie Credits and Activity Fund

Girl Scout Juliettes can launch their own businesses by participating the <u>Fall Product</u> and <u>Girl Scout Cookie Program</u>. Girl Scouts can earn rewards, business and financial literacy badges, and develop five essential skills: goal setting; decision making; moneymanagement; people skills; and business ethics.

In accordance with the Internal Revenue Service and Girl Scouts of the USA, Girl Scout Juliettes and their caregivers are not allowed to have bank accounts or hold cash. Therefore, Juliettes do not earn proceeds from Fall Product items or Girl Scout cookies sold; only troops earn proceeds, not individual Girl Scouts.

However, when participating in product programs, Girl Scout Juliettes may hold funds in the form of council issued Juliette Program Cookie Credits. In addition, they can also earn reward items, camp discounts, and Cookie Credits. Both Cookie Credits and Juliette Program Cookie Credits can be used to pay for Girl Scout events with a per girl fee, GSCO overnight camps and day camps, travel, and so much more!

Juliettes will earn ½ credit for each item sold during the Fall Product Program and ½ credit for each package of cookies sold during the Girl Scout Cookie Program. Juliette Program Cookie Credits will be sent directly to Juliette/caregiver.

#### Juliette Program Cookie Credit Guidelines:

girl scouts

of colorado

- Juliette Program Cookie Credits expire after five years.
- Juliette Program Cookie Credits cannot be replaced for any reason and cannot be exchanged for cash.
- It is the responsibility of each Girl Scout Juliette, along with their caregiver, to manage their own Juliette Program Cookie Credits.

- Juliette Program Cookie Credits are for Girl Scouts and are not to be used to pay fees or expenses for adults, or to purchase items for adults.
- Approved Juliette Program Cookie Credits uses are:
  - o GSCO overnight camp
  - o GSCO volunteer run day camp sessions with a per girl fee
  - o EF Tours

  - o GSUSA membership dues and lifetime membership
  - o Girl Scout-related field trips or activities

     Silver Award projects

#### How Juliette Program Cookie Credits are calculated

Juliettes will earn ½ credit for each item sold during the Fall Product Program and ½ credit for each package of cookies sold during the Girl Scout Cookie Program.

#### Examples:

For 30 items sold during the Fall Product Program, a Girl Scout Juliette will earn 15 Juliette Program Cookie Credits and 15 credits will go into the Juliette Activity Fund.

During the Cookie Program, when a Juliette sells 150 packages of cookies, they will earn 75 Juliette Program Cookie Credits and 75 credits will go into the GSCO Juliette Activity Fund.

Juliette caregivers can complete the <u>Cookie Credit Reimbursement Form</u> to be reimbursed for approved Juliette Program Cookie Credit uses. Requests for reimbursements for a youth membership fee, GSCO event fee, Girl Scout travel expenses, Highest Award project expenses, or GSCO day camp or overnight camp fees should be submitted within 90 days and/or within the same membership year.

#### **GSCO Juliette Activity Fund**

An additional ½ credit per item sold during the Fall Product program and/or per package of cookies sold during the Girl Scout Cookie Program, will go into a broader, GSCO Girl Scout Juliette Activity Fund that will support the delivery of Juliette program opportunities. *These programs are open to all Girl Scout Juliettes regardless of their participation in GSCO Product Programs.*

# **Philanthropic Opportunities**

#### **Philanthropic Opportunities**

Service is at the core of the Girl Scout experience. There are several ways that Girl Scouts can serve their community through the Cookie Program, including Hometown Heroes, Gift of Caring, and Shoe that Grows.

#### **Hometown Heroes**

The Hometown Heroes (HTH) Program was created for girls to learn philanthropy and community service through the Girl Scout Cookie Program. Customers who do not want to buy cookies for themselves can purchase HTH packages to give to others while supporting Girl Scouts at the same time.

HTH donations may be tax deductible. Customers should consult their tax advisor. Troops should not take possession of HTH cookies until the end of the program. These cookies should not be part of their cookie inventory during the program.

#### Follow these easy steps to participate in the Hometown Hero program:

- Girl Scouts/ troops choose a group/organization to receive donated cookies. Recipients can be heroes in the community such as nonprofit organizations, shelters, firefighters, local military groups, blood banks, or food banks. Contact the selected organizations to get their approval prior to collecting cookie donations.
- Tell customers they can buy cookies to be donated to this group/organization.
- Enter all HTH cookie orders in the HTH column in eBudde under each Girl Scout who sold them and record the money collected for these packages in the same line.
- At the end of the program, use unsold packages of cookies in your troop inventory to fill the HTH order. Additional HTH cookies may be picked up from a local cupboard to complete the order.
- All arrangements for selection, delivery, and shipment of HTH cookies are the troop's responsibility.
- Last day to deliver HTH cookies is June 30.

#### **Gift of Caring**

Through Gift of Caring (GOC), customers can purchase virtual packages of cookies which GSCO will deliver to the military, both local and overseas, and nonprofit organizations on behalf of Girl Scouts. Girls collect the money, but do not physically take possession of the cookies.

- Tell customers they can buy cookies from your Girl Scout / troop to be donated to the military.
- Enter all GOC cookie orders in the GOC column of eBudde under each girl who sold them and record the money collected for these packages in the same line.
- No need to order from a cupboard to account for these virtual packages. eBudde allows this to be automatically calculated.
- Please check the rewards page in this guide to see the rewards available to each Girl Scout who sells GOC cookies.

# **Philanthropic Opportunities**

#### **Shoe That Grows**

Girl Scouts can choose to donate shoes through Because International, to fund the cost of needed children's shoes, in place of a reward item based on the structure of our rewards. GSCO will submit a single donation, on behalf of all

girls who choose this reward. In 2024, Girl Scouts donated 126 pairs of shoes!

- Once Because International receives the donation, they will work with their staff to identify a school or orphanage in Kenya where children would benefit from receiving the shoes and the shoes will be delivered.
- After the shoes are delivered, they'll be able to share details with GSCO, which we will in turn share with girls and caregivers including any photos, testimonials, or messages of thanks from the children who received the shoes.

#### A 2024 donation thank you letter from Because International

#### Dear Girl Scouts of Colorado,

I'm thrilled to share the wonderful news that thanks to the overwhelming generosity of your Girl Scouts, 959 pairs of The Shoe That Grows were distributed to kids in Kenya last month. *Girl Scouts from Colorado donated 126 of those pairs of shoes!* 

Part of the distribution happened in a small Maasai community where many of the kids, who were dressed up to compete in a music competition, were wearing borrowed or worn-out clothing. The Shoe That Grows provided each of them with the dignity of having their own pair of quality, durable shoes that will last years as they grow.

The rest of the shoes were distributed to a small, rural village near Vihiga, Kenya. In this area, children often suffer from jiggers—a sand flea that can cause long-term health problems if not treated properly. Most of the children in this community walk several miles to and from school each day. Because International partnered with a local nonprofit to distribute The Shoe That Grows, providing them with a safer and healthier way to walk to school. I am deeply touched by the selflessness of your girls in making these distributions possible. Each of them chose to give shoes to another child, who will now be positively impacted for years to come. Thank you from the bottom of our hearts!

With gratitude, Kelly Crane Customer Success Manager

# **Initial Order**

#### **Initial Order**

An Initial Order (IO) is the cookie order that the Juliette caregiver TCM places prior to the beginning of the program. Cookies from the Initial Order are distributed to Girl Scout Juliettes after delivery day pick-up, for girls to use to fulfill Digital Cookie/DOC girl delivery orders, and to have for "in-hand" door-to door sales and at booth sales.

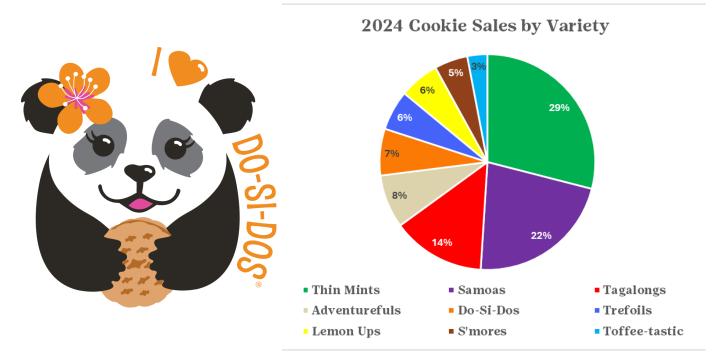

TCMs can place the troop IO as soon as they have access to eBudde, however, it's best to place the IO after TCMs have taken time to consider multiple factors relevant to you and your Juliette.

#### The Troop IO is due in eBudde by 8 p.m., Jan. 14, 2025.

#### How much to order for the IO?

Things to consider:

- What is each girl's individual goal?
- What is the troop goal?
- Does the troop wish to earn the IO rewards?
- How many booths does the troop plan to have?
- How close is the nearest cupboard?

Experienced Juliette TCMs should reference sales from previous years and how many packages of cookies were sold through Digital Cookie/DOC ahead of the Cookie Program kick-off.

# **Initial Order**

#### **IO Calculator**

If you are a new troop, or unsure of how much to select of each variety of cookies for your initial order, our website has an IO calculator that recommends how many packages of each variety you should order. This is a recommendation based on 80% of the previous years' PGA for new troops/girls. Scan the QR code and go to the IO calculator on the Cookie Resources page.

#### TCM Tips and reminders:

- Colorado Girl Scout Cookie customers LOVE their chocolate cookie varieties: Thin Mints, Samoas, Tagalongs, and Adventurefuls!
- Cupboards will start opening on Thursday, Feb. 6. You want to be sure you have enough cookies to allocate to girls and to cover booth sales during the first two weeks.
- GSCO makes every effort to keep up with inventory needed during the cookie program.

**IMPORTANT:** We can only guarantee the quantity of each variety of cookie that you order through the Initial Order. *Keep that in mind when deciding on quantities in your initial order.* 

# **Delivery Day**

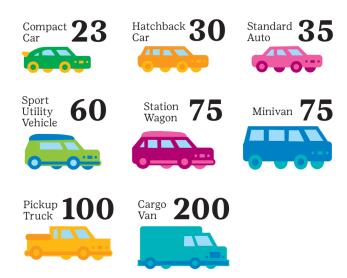

Now that the troop IO has been placed and you've selected a delivery time and location, it is time to sit back and relax until cookies are to be picked up.

- Delivery of cookies will begin with the outlying communities and Cookie Cupboards. These distribution sites will receive cookies starting Wednesday, Jan. 22.
- Main cookie delivery day is on Saturday, Feb. 1, 2025.

#### 2025 Main Cookie Delivery Day - inclement weather

- On the TCM agreement form, TCMs were asked to include their cell phone number and give permission for GSCO to send text notifications should there be a delay or emergency.
- Frequent updates will also be posted to: https://www.girlscoutsofcolorado.org/en/cookies/cookiealerts.html
- In the event of weather related delays, main cookie delivery day might be rescheduled.
  - Again, updates and additional contingency plan details will be posted to the Cookie Alert page on the GSCO website. Check the page frequently and look for text messages from GSCO.

*Safety first!* Our distribution sites are drive-through, pick-up stations, and delivery agents may use forklifts to move cookies. This is an adult activity. Bring only adults with you to help. Do not bring small children or pets. Be sure that your vehicle(s) is emptied and there are no hazardous materials in it (e.g. gas can, paint, etc.)

- The amounts given assume the vehicle will be completely empty (no car seats, pets, children, etc.) except for the driver.
- Make sure there is sufficient room in the vehicle for the cookies to be picked up.
- Cookies must be picked up in one trip, so have additional vehicles ready for pick up if necessary.
- You will not be able to pick up cookies if you do not bring the appropriate number of vehicles.

*IOs not picked up as scheduled on delivery day will be returned to the warehouse and those cookies will not be available for pick up again until Feb. 4, 2025. or later.* Contact your SUCM for assistance with coordinating pick-up. Pick-up will need to be coordinated with the warehouse.

# **Delivery Day**

#### **Delivery Day Checklist**

- □ Be on time! If arriving early to pick up cookies, do not block the loading area. Do not pull in until assigned time.
- □ Wait for all vehicles in your party to arrive. All vehicles must drive through together.
- □ Be patient and courteous with volunteers at the delivery site.
- New this year—Adults picking up cookies will be allowed to step out of vehicle and count cookies as they are loaded. A delivery site volunteer will be assigned to walk with you and your vehicles and count cookies.

#### When you get home

Take the cookies out of the vehicle IMMEDIATELY. Many are chocolate and can melt quickly.

Double count the cookies to make sure they are all accounted for. If there is a discrepancy, return to delivery site for correction. If the delivery site is already closed, or if there are extenuating circumstances, contact your SUCM immediately. Any discrepancies must be reported within 24 hours.

• Damaged packages may be exchanged at any cupboard.

# **Cookie Booths**

#### **Cookie Booths**

A Cookie Booth is a place where Girl Scouts set up a table at a business or other approved public location to sell Girl Scout Cookies.

#### What is a Council Booth?

GSCO staff coordinates with certain corporations to establish the dates and times they will allow booths at their locations during the Girl Scout Cookie Program.

Council booth locations include but are not limited to: City Market, King Soopers, Safeway, Albertsons, Walmart, Red Robin, Alta, ARC Thrift Stores, and Sam's Club locations in the state of Colorado. *These locations are NOT to be contacted by any troop, girl or adult, at any time, for any reason.* 

Booth selections begin Jan. 23. Some council booths will start as early as Feb. 2. All other council booths will begin starting on Feb. 5, after 6 p.m.

#### What is a My Sales Booth?

My Sales booths run from Feb. 2 to March 16. GSCO encourages Girl Scouts to use their creative, entrepreneurial spirit by holding "My Sales" at unique community locations.

#### How to reserve a My Sales Booth:

- Must receive approval from location/manager
- Caregiver must contact TCM for assistance
- TCM can request a girl/family site in eBudde
- SUCM or PPS approves the site within 48 hours of request.

**TCMs:** ask SUCMs to honor requests to add/approve My Sales booths to eBudde after the booth has happened. Doing so means that the TCM can use the booth recorder to distribute cookie sales to Girl Scouts.

#### **Releasing Council Booths**

- TCMs/troops should release a booth right away if they know they are not going to be able to work one of their selected booths. The TCM can release the booth from the eBudde dashboard calendar. My Sales booths can be released by contacting your SUCM.
- Once a Council booth is released, it updates Cookie Finder AND any troop on the waitlist is notified when the booth is available for selection on a first-come basis.
  - **Releasing booths to update Cookie Finder is KEY, as it also helps customers looking for cookies!** They are disappointed when they go to a booth location and no Girl Scouts are there selling cookies!

# **Cupboards**

**TCM Tips:** Know your eBudde password when going to pick up cookies from cupboards. You will have to enter password into the eBudde app when picking up. Make sure your cookie helpers who are picking up cupboard orders also know their log-in and password!

#### **Cookie Cupboards:**

Cookie Cupboards are locations strategically placed statewide where additional cases of cookies are maintained by an appointed cookie cupboard manager. Troops can obtain additional packages of cookies from a cupboard during the program.

Cupboards across the state will begin opening on Thursday, Feb. 6, 2025. Days and hours of operation for each cupboard may vary due to the type of cupboard and location. Check eBudde for the latest information.

Place all orders to pick up from a cupboard through the Transactions tab in eBudde, 72 hours prior to your intended pick-up time.

#### **General Cupboard Guidelines:**

- Damaged packages or cases may be exchanged for non-damaged packages or cases of the same variety. *Cookie Cupboards will not accept returns or exchanges for different varieties.*
- Any discrepancies in cupboard orders must be reported within 24 hours AFTER pick-up.
- Cookies may be ordered in either packages or cases from a cupboard.
- Cookie pick-ups should be made by TCM or troop leader. If another volunteer is picking up cookies, the TCM must designate that pick-up person in eBudde. The cupboard manager will ask the pick-up person to sign receipt for cookies in eBudde. Caregivers are not allowed to pick up

cookies for just their individual girl.

• The TCM will sign a receipt at the cupboard. TCMs will need to keep a copy of the receipt to be put with other cookie receipts and records. All receipts will be electronic.

• Transactions are updated immediately in eBudde when transactions are complete.

# **Managing Cookie Inventory**

#### **Inventory Management**

Inventory management is key to a successful cookie program. The Little Brownie Baker eBudde platform is the main tool for TCMs and other volunteers to use to manage the Girl Scout Cookie Program. It can be accessed through a computer or through a mobile app.

**TCM Tip:** SUCMs have years of experience using eBudde and are happy to help troops navigate the system and to share best practices throughout the program. Reach out to your SUCM with questions and for support!

#### A few key points to keep in mind:

- The TCM and troop leader should agree on a plan for how cookies will be distributed to the girls/ caregivers.
- Review the caregiver/parent permission form and explain expectations. TCMs should have caregiver sign the form and return it, before giving caregivers/girls cookies.
- Experienced TCMs recommend you seek a commitment from the girl and her caregiver for the minimum number of cookies she will sell.
- TCMs are strongly encouraged to NOT give additional cookie inventory to girls/families until payment is received.
- Set deadlines for girls and their families to turn in order money collected. Remind troop about the deadlines and stick to them! Remind Girl Scouts and their families that anyone storing cookies must store them in a temperature-controlled, food safe, smoke-free environment.

#### Receipts

For cupboard orders and any cookie exchanges between TCMs/troop, make sure you have a receipt. Cupboard pickups will have an electronic receipt, created when you sign for the cookie order. You can also ask or create a paper receipt. If you are exchanging cookie inventory with another TCM, make sure you give them a complete and signed receipt for the transfer or that you get a complete and signed receipt from them for cookies you pickup in the exchange. You will need to release or accept the cookies in eBudde and note the connection. The signed receipt transfers the financial responsibility from one person to the other and must be kept for reference.

#### Every receipt should include:

- Juliette caregiver name / troop number
- Date
- Cookie variety
- Number of packages
- Signature of adult accepting cookies or money
- Signature of adult giving cookies or money

# **Managing Cookie Inventory**

#### Receipts (cont'd)

Both parties should count the cookies and money together. The troops should keep the white copy of receipt and give the yellow copy to the caregiver Keep copies of ALL receipts, including starting inventory order, cupboard orders, and troop cookie allocations (or keep electronic records of all transactions).

**Remember:** There is a no-return policy on cookies, EXCEPT when a package of cookies is damaged. The package may be exchanged at any Cookie Cupboard for a non-damaged package of the same cookie variety.

#### Damaged means:

- Crushed package
- Sealed, but empty package
- Unsealed package
- Missing package in a case of cookies
- Returned by customer for any reason

#### When more cookies are needed for booths, Girl Delivery, and door-to-door

A few weeks after the start of the program assess the amount of cookies/varieties that you have and consider what is your Girl Scouts' goal? How many booths you have coming up and girl delivery orders you need to fulfill, and door-to-door sales. Do you need more cookies?

#### **Cookie Exchange Tab**

Next, consider checking the Cookie Exchange tab in eBudde. It's a great tool for TCMs/troops looking for more product or who have excess product. It enables TCMs/troops to list what they have, and for other TCMs/troops to "pick-up" cookies from a troop with excess inventory first, before taking more cookies from a cupboard. Or vice-versa!

#### **Troop-to-Troop Transfers**

To help with troop inventory control, troops can transfer product to another troop via eBudde's Transactions tab. Troops will want to make sure they also have each party sign a receipt. Practice safe handling of product received from a troop. Note: Transactions should be entered right away!

# **Digital Cookie/DOC**

#### Digital Cookie/Digital Order Card (DOC)

Digital Cookie, or DOC, is an online platform and educational tool that helps girls run and manage their Girl Scout Cookie business and sell cookies to friends and family. There are many benefits to using the DOC, including:

- Girl Scouts can learn 21st century entrepreneurship skills and have the opportunity to expand their cookie business.
- It is the perfect solution for selling to out-of-town relatives and friends who want to support a girl, but for whom personal delivery is not an option. These special customers can order cookies from a Girl Scout and pay online.
- Digital Cookie also allows individuals to support Girl Scout Juliettes/troops by donating cookies through the Gift of Caring program.

#### Once the DOC program is activated:

- Council must have her registration data correct and complete. This includes the accurate name, birth date, troop number, grade level, and caregiver email address for each girl.
- Changes may be made by visiting their myGS site.
- If additional assistance is required, or if you have a caregiver or leader who does not receive the DOC link, please click on the "contact us" or "help" link at the bottom of the login page.
- In order for a girl to participate in DOC:
  - o Caregivers will receive a message to the email address GSCO has on file.
  - o This message will contain instructions on creating a Girl Scout's DOC site and how to begin to receive and accept orders.

**Note:** All DOC online orders will automatically be imported into eBudde and credited to the Girl Scout and funds credited to troop in eBudde. Shipping/handling fees are paid by customer.

#### Accessing the Digital Cookie as a volunteer:

- Watch for an email that will have Girl Scout Cookie Program as the sender and the "from" email address will be: email@email.girlscouts.org.
- Click on the green button in the email.
- Create a password and use your email address and password to login.
- Watch the safety video and sign the terms and conditions.

# **Digital Cookie/DOC**

#### **Customers have four options:**

- Donated cookies (DOC DON): Purchase virtual cookies that will be donated to Gift of Caring.
- Direct shipped delivery (DOC SHIP): Purchase cookies that are shipped to customer address as provided.
- Mobile app, direct delivery (DOC INHAND): Customer must meet with girl in person to purchase cookies using the digital cookie mobile app. The mobile app allows customers to use a credit card as payment. Cookies come out of girl's on-hand inventory.
- Girl delivery (DOC DLVR): Customers can order cookies online and have them delivered by the Girl Scout. Caregivers must confirm Girl Delivery for each order. If a caregiver declines delivery, the customer is given the option of having their order shipped or they can donate the cookies.

#### TCMs/Parents/Caregivers - Girl Delivery - Important Message:

The Digital Cookie system sends notification emails to parents/caregivers to approve orders for girl delivery as they come in. Last year, Girl Scout families did a great job of staying on top of those approvals! One thing that created confusion for customers is once an order is approved customers get automated emails regarding their order. This led some customers to believe that their order would be delivered very soon after it was approved, but that wasn't always the case. **Here are some recommendations for parents/ caregivers to follow, to prevent misunderstandings:** 

- Check cookie inventory before you approve order. If you don't have enough cookies on hand, check with TCM
- Communicate with customer right after order approval about timeline for cookie delivery. Stay in communication with customer until cookies are delivered.

# Also, TCMs/Parents/Caregivers, coach your Girl Scouts on best girl delivery customer service practices! Girl Scouts:

- Double-check that your customer orders are correct as you prep them for delivery.
- Contact customers before you deliver cookie orders. That way, they can plan to be home when you deliver and bring their cookies inside!
  - o Do not click on "order delivered" in Digital Cookie until the order has been delivered! It's confusing to customers when that button is hit well in advance of the delivery happening.
  - o You can take a photo of the cookies delivered and email it to your customer too.
- Include a thank you note with your cookie deliveries. Sign with your first name and a caregiver's email address or phone number, in case your customer needs to contact you.
  - o Neighbors might order cookies from a few Girl Scouts in the neighborhood. It helps them to know who just delivered cookies, so they can thank you too!
- Please do not leave fliers, door hangers, business cards or cookies in people's mailboxes!

# **Cookie Program Money Management**

#### **Cookie Program Money Management**

All cookie order money collected belongs to Girl Scouts of Colorado and should be submitted to council. Juliette caregiver TCMs are responsible for making payments for cookie inventory for their Girl Scout Juliette (s).

During the 2025 cookie season, there are two ways to make payments: pay for cookie inventory through Digital Cookie/DOC and/or pay for cookie inventory by sending a payment to Girl Scouts of Colorado. See page 42 for instructions for each option.

#### **Collecting/Handling Money**

Bank Deposits

- All money collected from the sale of cookies should be deposited into the troop's account as soon as possible (at least weekly). Be sure to keep all bank deposit receipts!
- Do not keep large sums of money in homes or vehicles. Weekly deposits are mandatory.
- Cookie money should never be deposited into a personal bank account.

#### **Credit Card Payments**

GSCO allows TCMs/troops to accept credit cards as a form of payment for cookie purchases.

Girl Scouts/troops may choose to accept credit cards using the Digital Cookie/DOC mobile app, with no fees.

Any decisions made regarding the use of providers (Digital Cookie/DOC) to use to run credit cards, as well as fees associated with any choices made, belong to the troop, and may not be passed on to the customer. GSCO cannot recommend nor endorse any provider.

**Do not accept any bills larger than \$20. Most counterfeit bills are \$50 and \$100 bills.** Ask the customer to go into store and exchange large bill for smaller bill. Use a pen to detect counterfeit bills. **GSCO no longer accepts money problem reports (MPR) for counterfeit bills.** 

#### Checks

• GIRL SCOUTS OF COLORADO DOES NOT REIMBURSE TROOPS FOR NSF RETURNED CHECKS. TROOPS ACCEPT CHECKS AT THEIR OWN RISK.

# **Cookie Program Money Management**

#### **Unsold Cookies**

- Girl Scouts should make every possible attempt to sell their cookie inventory.
- If you have excess cookie inventory, notify your SUCM and your Volunteer Support Specialist (VSS) right away. They can offer you advice and assistance and help you to navigate all options.
- If cookies are leftover at the end of the program, the TCMs/troops must pay for them by March 21, 2025 the ACH debit date. Cookies may continue to be sold until April 30, 2025. *There are no returns on cookies.*

#### Suggestions for TCMs managing excess cookies include: *Before Program Ends*

- Notify SUCM for assistance.
- Use extra inventory first before doing additional cupboard pick-ups.
- Post extra inventory to cookie exchange in eBudde.
- Select more council booths and/or secure and get approval for more MySales booths.

#### **Before and After Program Ends**

- Notify the closest Girl Scout office so inquiring customers may be referred to a troop with extra cookies.
- Door-to-door sales with a caregiver.
- Sell cookies to a business. Cookies make a great client/customer/employee thank you gift! (Businesses CANNOT resell any product.)
- After-program booth (troops/caregivers will need to make arrangements with retailers for these absolutely NO Council contracted locations may be used for this!)

#### **TCM Outstanding Balances**

- **TCMs are financially responsible for all cookies taken into the troop inventory until they are signed out by a caregiver or transferred to another troop.** Receipts must be filled out and signed by both parties for EVERY transaction/movement of cookies!
- Failure to pay GSCO any portion of the amount owed council (found on the Final Sales Report tab in eBudde) by March 21, 2025, will result in the TCM being considered to have an outstanding balance. unless a Money Problem report has been submitted with supporting paperwork, including receipts. **All Money Problem Reports are due no later than March 21, 2025, 8 p.m.**
- Any TCM with an outstanding balance must contact council immediately to make the payment, or they are at risk of being referred to a collection agency for the debt and could be pursued to maximum extent of the law.
- GSCO takes misuse of Girl Scout/council/troop/group funds seriously and follows up on reported concerns and inquiries by conducting financial audits and investigations when required.
  - o GSCO might also conduct a troop financial audit. See page 15 of the <u>GSCO Financial Guide</u> for more information.
