

Fall Product Program Early Camp Registration Reward

Congratulations! As part of the 2026 Fall Product Program you earned the opportunity to register early for one CampInTouch GSCO 2027 summer camp session!*

- ✓ If you don't have a CampInTouch account yet, it's easy to create one! Go to [instructions](#) included in this email. **You are required to create an account by Friday, Jan. 8, to be prepared for early CampInTouch camp session registration, date to be announced in early December.**
- ✓ Having a CampInTouch account set up will speed up the early registration process.

Early camp registration is only open to Girl Scouts who earned this reward by participating in the 2026 Fall Product Program. **Early camp registration through CampInTouch is ONE DAY ONLY**, in January 2027. If you don't make an early camp selection on the designated day, GSCO cannot extend the window for any exceptions.

Steps to get prepared for early CampInTouch registration:

1. Review the summer camp sessions at camp.girlscoutsofcolorado.org and check out the camp brochure!
 - ✓ Go to the Camp InTouch [session page](#) for more detailed information about camp sessions.
2. Decide on your first-choice camp session. We recommend you also choose two alternative sessions in case your first choice is unavailable.

Note: Early camp registration reward earners get **only ONE selection**, and once it's made, **it is final**.

If you register for more than one camp session during the early camp registration window, you will be cancelled out of all sessions.

*GSCO cannot guarantee registration into preferred GSCO CampInTouch session. 10% deposit for camp applies to early camp registration selection.
