Magazine Contest

M2 has added back popular magazine titles to Fall Product Program storefronts, and GSCO added back the magazine contest!

How to enter contest:

Sharing magazine subscription options with customers and reminding them that they make great gifts for kids and adults, is a great addition to your Fall Product Program business! The troop also earn 14% in proceeds from each magazine subscription sale.

As an extra incentive, the first 10 girls who sell 15 or more magazine subscriptions *and complete* the magazine contest form will receive a GSCO vintage prize pack. *

Girl Scouts need to complete the Magazine Contest form only once.

* The first 10 girls to qualify will be based on the date that the form is submitted *and the verified number of magazine subscriptions sold.*
