Check-in and Arrival

- Check-in is **3:00 PM**(MST) the first day of your reservation.
- Check-out is **12:00 PM**(MST) the last day of your reservation
- The lockbox with the keys for the property is located a few feet away on a wooden pole to the left of the gate.
- After you have arrived, close the gate. The gate must be closed at all times per Colorado Springs Park Rules and could result in a fine if left open.
- Note: If the gate is unlocked when you arrive, please leave it unlocked—there are maintenance staff who work on the property. They will lock it behind them.
- **Garden of the Gods Park is closed overnight. NO vehicle travel is allowed during this time.**
 - May 1-October 31: Closed from 10pm to 5am
 - November 1-April 30: Closed from 9pm to 5am
 - In case of an emergency, follow the instructions on the wall.
- **There are no outdoor flames allowed at Hamp Hut**, including fire pits or charcoal fires. If there is an additional fire restriction you will be alerted by the park rangers.
- Leave No Trace Camping: Leave the site better than you found it. **Do NOT** tie balloons or hammocks, move sticks or rocks, leave painted rocks, etc.
- For up-to-date information on road conditions in the area please visit cotrip.org.
- *Failure to follow the Park rules may impact the Troop's ability to reserve in the future.*
- There is Wi-Fi internet access at Hamp Hut. Instructions for the internet are posted at the site.

Parking

- There is parking for **up to FIVE vehicles** at Hamp Hut; guests are encouraged to carpool. **Vehicles may be parked on the dirt parking lot in front of Hamp Hut. Please ensure there is space for Ranger vehicles to turn around in that area.**
- Overflow parking or drop-off parking is available in Lot 16. Leave a note visible from your car window or windshield that says "GSCO HH" for the rangers.
- Please leave the driveway entrance open for the park rangers. Do not park outside the gate cable, in front of the shed in the back area of the parking lot, by the maintenance building, or in front of the Dumpster.
- Between September and April we suggest that guests only bring all-wheel or front wheel drive vehicles, or have chains on hand in case of snow.
- No RVs are permitted on the property.

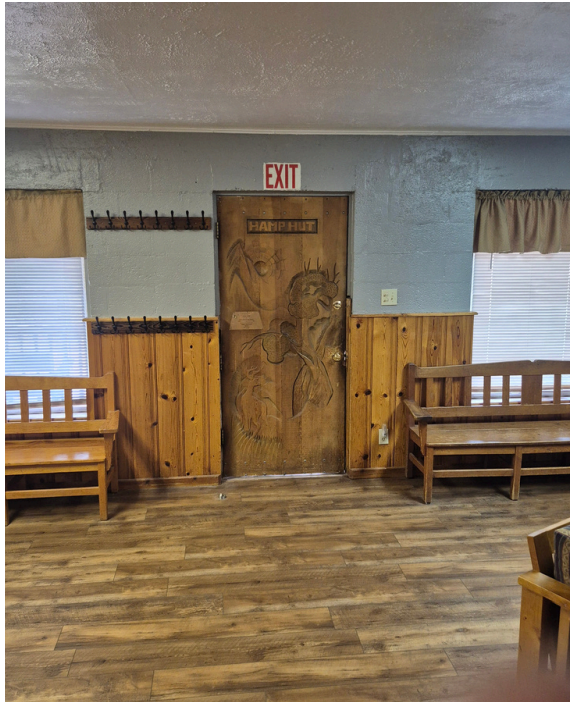

Our Property

Kitchen Facilities

Hamp Hut's kitchen is fully stocked and ready for use. It includes a 6-slice toaster, coffee pot, griddle, stove, oven, microwave, and refrigerator, as well as small appliances. Pots, pans, dishes and utensils are supplied in the kitchen. All you need to bring is food, seasonings, tin foil, paper towels, and/or other disposable products.

Bedrooms and Bathrooms

Hamp Hut has one large bedroom. 30 mattresses are provided for guests to sleep on the floor, as there are no bed frames. Outside camping is not permitted at Hamp Hut due to Colorado Springs Park Rules. GSUSA rules prohibit males from sleeping in the same room as girls, so any men coming should be prepared to sleep in their car or truck during their stay. Hamp Hut is equipped with running water and has two toilets, two sinks and two showers. Toilet paper and basic cleaning supplies are provided but guests should bring all other toiletries, including hand soap and paper towels.

Living Room and Indoor Fireplace

Hamp Hut has a spacious living room, complete with couches and tables for meals and crafts. There is a large fireplace inside for use. (Note: There can be no outdoor flames at Hamp Hut, including fires outside or charcoal grills.) **Firewood is not provided at Hamp Hut; guests will need to bring their own firewood, as well as matches and kindling. Guests may need to clean the ashes out of the fireplace before use.**

Safety and First Aid

Guests are responsible for the health and safety of all members of their group. Each group must have at least one person who has taken the Overnight Trips training, and who has read the following safety procedures. Additional safety information can be found in our [Handbook for Site Users](#), including what to do in the case of an emergency.

- Hamp Hut is located at 2655 Garden Drive Colorado Springs, CO 80904 on land owned by the City of Colorado Springs, and is a part of the Garden of the Gods Park. As such, the land is not closed off, and guests staying at Hamp Hut may see hikers using the trails near the building.
- Proper adult to girl ratios as found in [Safety Activity Checkpoints](#) should be maintained at all times. Adults must be 18 or older and children must be supervised at all times.
- Adults supervising additional children that are not part of the Girl Scout group cannot be included as a supervising adult in the adult to girl ratio.
- **Always stay on the marked trails at Hamp Hut and do not allow girls to walk in the woods.**
- The group leader is responsible for the supervision and conduct of all group members. The Site Director, where applicable, cannot take responsibility for children who arrive early or leave late. Every participant must have a health history and a signed consent to treat form carried by their leader. The leader should have a list of all participants on site.
- Each group must have at least one adult who is First Aid/CPR certified, this person is responsible for providing first aid for their group. Each group is recommended to bring their own First Aid kit with them, however there is a large first aid kit and emergency care supplies on site.
- For large events, the first aid representative from the hosting group can help. Site Directors living at camp are not responsible for first aid in any circumstances.
- Medications that need to be administered should be managed by the troop leader: be sure to pack anything over the counter you might need, plus anything that parents have given you to administer to their child.
- Keep medications stored in a secure place away from access of any children. Make sure all adults know the location of applicable emergency medications such as epi-pens and inhalers.
- All locked buildings, pastures, barns, sheds, ropes courses, zip lines, and other areas as posted, are off-limits, unless accompanied by a GSCO employee and arrangements are made ahead of time.
- Food should be kept in ice chests, wooden or metal boxes, car trucks, or “bear bags”. Never keep food in tents, tabins, or seasonal units. Animals and insects are attracted to food and garbage and are not deterred by plastic, paper, or fabric.
- Tent campers should choose their area carefully. Make sure all tents are visible from the leader’s tent. Avoid placing tents under trees. Space should be left around each tent to walk without tripping over ropes. Ropes should be marked with cloth strips or foil. Do not trench around tents.
- Use established roads, trails and fire circles. Mountain terrain is delicate and we all share responsibility for preserving it.
- Do not harm, touch, or feed the wildlife. This includes birds and squirrels.
- Prior to camp, review procedures with children of what to do if they become lost or separated from the group.
- Designate a meeting spot at every site you are staying at or visiting.
- If a camper is missing, look in logical places first and be systematic when searching. Get a description of lost camper and search in pairs while keeping sight and sound of each other. Notify the Site Manager/Camp Staff if child is not found in 15 minutes, then call parents and emergency numbers (posted by the phone).
- All guests must carry a flashlight at night.
- Guests should not wear sandals outside of buildings.
- Running is only permitted on playing fields and should not be done in any other area of the camp.
