Check-in Procedures

- For overnight use
- Check in is **3:00 PM (MST)** the first day of your reservation.
- Check out is **12:00 PM (MST)** the last day of your reservation.
- Please check in and out at your designated time.
- There is a keypad for Pawnee Lodge that is located on the front door.
- Pawnee Lodge is available for free day use for troops and other Girl Scout groups. All groups using the facility must book their time through our online reservation system. If you arrive and a group is using the facility who has not made a booking, they should be asked to leave. If any concerns or issues arise please contact the Property and Outdoor Program Administrator at property.reservations@gscolorado.org.
- **If you will be staying overnight, please call the local police department** upon your arrival to alert them that you will be staying overnight, so they know the facility is being used. The phone number is 970-522-3511.

Vehicles

- All vehicles are the sole responsibility of the owner.
- Girl Scouts of Colorado will not be responsible for any fees incurred.
- No RVs are permitted on Girl Scout properties.

The Lodge

Pawnee Lodge is comprised of a main area on the bottom floor, and a loft upstairs, where guests can store their belongings during the day in order to use the main area for activities.

Pawnee Lodge has a kitchen with a refrigerator, stove, microwave, coffee pot, and oven. There are some basic supplies in the kitchen for cooking, such as cookware, baking dishes and cooking utensils, however no plates, bowls, or silverware are provided. Guests should also bring disposable products such as aluminum foil, paper towels, and seasonings.

Your group can use table-top propane grills for outdoor cooking options. Please check on local fire bans before planning for this option. There is no outdoor fire ring, but there is an indoor fireplace. No supplies for fire building are provided, please bring your own.

Pawnee has one bathroom. Toilet paper, paper towels, and cleaning supplies are provided, however we ask that guests replace any supplies that they use before they leave.

Pawnee Lodge does not have a shower. Guests will sleep on mattresses on the floor. Pawnee can sleep up to ten people overnight.

The Grounds

Pawnee Lodge is located in a public park, called Pioneer Park. Pawnee Lodge is located along the western side of the park and enjoys relative quiet and little disruption. Pioneer Park is 70 acres with a mix of grassy and wooded areas, including a small creek. Pioneer Park also offers a variety of activities including:

- Two short walking paths, one at 0.6 mi through a wooded area and a 0.75 mi concrete path
- 18-hole disc golf course
- Tennis/pickleball courts
- Sand volleyball
- Baseball fields
- Playground
- Picnic area

More about the parks in Sterling, including Pioneer Park, can be found [here](#).

Clean Up

Girl Scouts should be sure to leave places as clean or cleaner than they found them. Guests who do not complete the required cleaning may be charged a cleaning fee.

Pawnee Lodge does not have a Site Manager, and the property is cleaned by each troop that uses the facility.
