Happy Hispanic Heritage Month!

During Hispanic Heritage Month (Sept. 15–Oct. 15), we celebrate the countless contributions Hispanic and Latinx people have made and continue to make in the United States. We honor the cultural richness of all people in the United States, whose ancestors came from Spain, Mexico, the Caribbean, and Central and South America. You and the Girl Scout in your life have a unique opportunity to dive into the festivities and unlock an exclusive patch!

International Day of the Girl 2025

Every year on Oct. 11, the global community comes together to celebrate International Day of the Girl. It’s the day when you can recognize the power of girls everywhere—and highlight, discuss, and take action to advance the rights and opportunities for girls across the globe. By supporting and investing in girls, you can make the world a better place.

You can celebrate International Day of the Girl with this simple activity guide, and your Girl Scout will earn this year’s patch! And if you’re in the Denver area, register to attend the [International Day of the Girl Celebration](#) at Girl Scout DreamLab.
