Girl Scouts building a better tomorrow

Nearly 700 Girl Scouts across the state earned a Highest Award this year! That's 483 Bronze Award Girl Scouts, 277 Silver Award Girl Scouts, and 29 Gold Award Girl Scouts.

Every Highest Award Girl Scout is driven to make a difference. They are the dreamers and doers who make the world a better place. And while they're at it, they are becoming a leader. Girl Scouts are making a difference in ways big and small at every turn. It's what makes Girl Scouts different from any other activity. The friendships, adventures, and joy of being a part of a sisterhood are important too, but the impact you make on our world is forever.

Make the World a Better Place

Join Girl Scouts as they learn to problem-solve and take care of our planet by planting, protecting, and honoring trees. Made possible by General Motors, the Girl Scout Tree Promise highlights how important trees are to our local and global ecosystems due to their benefits on people, animals, and the planet. Access the **FREE** Tree Promise Activity and Volunteer Guide to lead your family and friends to take action together!
