Celebrate AAPI Month

May is Asian American Pacific Islander (AAPI) Heritage Month, an annual celebration of the achievements and contributions of Asians Americans and Pacific Islanders in the United States. It's a time where we join in paying tribute to the generations of Asian American and Pacific Islanders who have enriched the history of the United States and are instrumental in its future success. Earn the *I'm a Girl Scout* Asian/Pacific American Heritage Month patch by completing the required activities.

You can also celebrate AAPI at Girl Scout DreamLab on May 10. Admission is free, and includes henna tattoos, a Polynesian dance performance, cooking classes, and Origami!

Mental Wellness Matters

Life can be filled with all sorts of ups and downs. The good news is you never have to face challenges alone, especially when you have a welcoming community to uplift and support you along the way. When it comes to caring for your mental wellness, there are many ways to practice resilience and prioritize your well-being, whether it's taking a moment to check in with yourself, vocalizing the way you feel, or trying self-care practices like journaling.

Create a sisterhood of support network in your community with our S.O.S. Bracelet project. When the green side is showing, everything is good! When the white side is showing, extra support is needed. This can be as simple as asking "How's it going" or sitting next to them. The important part is to ask the wearer how you can support them!

Shape Your World

Girl Scouts' new Makers badges teach girls how to dream big, innovate, and use their imaginations to move the community forward. Whether they're making a work of art, or using their inventions to help others—Daisies, Brownies, and Juniors all have the opportunity to unlock nine new badges and show off their self-expression.

Encourage your Girl Scout troops to unleash their creativity and bring their ideas to life, while reminding them that they have everything it takes to build a better world! Get started by downloading the [FREE](#) Art and Design, Create and Innovate, and Craft and Tinker activities today.
