Kick the Girl Scout year off by participating in the Fall Product Program!

The Fall Product Program is a great way for troops to earn startup funds for Girl Scout activities throughout the year or to get one step closer to reaching their next goal. All troops receive 13% of their magazine orders, BarkBox, and Tervis tumbler orders as troop proceeds, plus \$1.05/per item for nuts and chocolates sold. Girl Scouts can participate as an individual member or with their troop. In addition to earning funds, Girl Scouts can earn rewards, including a personalized patch, enter [Fall Product Program contests](#), and become part of the S'mores Club!
