Celebrate Hispanic Heritage Month by having fun learning about all the communities it represents while earning a new patch!

Celebrate Hispanic Heritage Month

Hispanic Heritage Month is Sept. 15-Oct. 15. You can celebrate Hispanic Heritage Month with your Girl Scout by recognizing all the histories, cultures, and contributions that Hispanic and Latino people have made. Take this opportunity to learn more about the 21 Spanish-speaking countries and territories' cultures honored during these four weeks. And with plenty of activities to choose from, the discovery and fun are endless.

International Day of the Girl 2025

Every year on Oct. 11, the global community comes together to celebrate International Day of the Girl. It's the day when you can recognize the power of girls everywhere—and highlight, discuss, and take action to advance the rights of, and opportunities for, girls across the globe.

Girl Scouts has an [Activity Guide](#) that you can complete with your Girl Scouts on your own time, or you can attend a local community event—like the [International Day of the Girl Celebration](#) at Girl Scout DreamLab.
