May is Asian American Pacific Islander (AAPI) Heritage Month, an annual celebration of the achievements and contributions of Asians Americans and Pacific Islanders in the United States. It's a time where we join in paying tribute to the generations of Asian American and Pacific Islanders who have enriched the history of the United States and are instrumental in its future success. Earn the *I'm a Girl Scout* Asian/Pacific American Heritage Month patch by completing the required activities.

Mental Wellness Matters

Life can be filled with all sorts of ups and downs. The good news is you never have to face challenges alone, especially when you have a welcoming community to uplift and support you along the way. When it comes to caring for your mental wellness, there are many ways to practice resilience and prioritize your well-being, like spending time outdoors!

Did you know GSCO has eight unique camp property spaces across the state available families can rent? You can take your family on a hike in Rocky Mountain National park from Meadow Mountain Ranch, hang from a zip-line across the meadow at Sky High Ranch, and visit the farm animals or shoot a bullseye on the archery course at Tomahawk Ranch!
