Happy Hispanic Heritage Month!

During Hispanic Heritage Month (Sept. 15–Oct. 15), we celebrate the countless contributions Hispanic and Latinx people have made and continue to make in the United States. We honor the cultural richness of all people in the United States, whose ancestors came from Spain, Mexico, the Caribbean, and Central and South America. You and the Girl Scout in your life have a unique opportunity to dive into the festivities and unlock an exclusive patch!

International Day of the Girl 2024

Every year on Oct. 11, the global community comes together to celebrate International Day of the Girl. It’s the day when you can recognize the power of girls everywhere—and highlight, discuss, and take action to advance the rights and opportunities for girls across the globe. By supporting and investing in girls, you can make the world a better place. Celebrate with this [simple activity guide](#) – designed for girls of all age levels. As a bonus, your Girl Scout can earn the official [International Day of the Girl 2024 patch!](#)

If you live in the Denver area, Cadette, Senior, and Ambassador Girl Scouts can attend an International Day of the Girl Workshop at Girl Scout DreamLab on Oct. 12 to earn their fun patch. [Register here.](#)

Did you know that your Girl Scout can earn a fun patch AND a coding badge by completing the Stack Cloud Technology Challenge at any time? This patch program challenges Girl Scouts to use their knowledge and skills in coding and app design to construct their own cloud-based platform for a personal data collection company. This patch program meets requirements for Coding Basics and App Development badges for Cadettes, Seniors, and Ambassadors.
