April is Volunteer Appreciation Month!

Girl Scouts just wouldn't be possible without our incredible volunteers! From dedicated troop leaders to supportive mentors and organized planners, these passionate individuals make it possible for girls to grow their confidence, find their voice, and build skills that last a lifetime. Volunteers give their time, energy, and hearts to empower the next generation—and they deserve to be celebrated! April is Volunteer Appreciation Month, the perfect time to recognize and thank the superhumans who make Girl Scouting incredible, including troop leaders, service unit leaders, cookie volunteers, and more! From now through April 30 use code `thankyou15` for 15% off of \$25 or more on gifts and council own items.

Make the World a Better Place

Join Girl Scouts as they learn to problem-solve and take care of our planet by planting, protecting, and honoring trees. The Girl Scout Tree Promise highlights how important trees are to our local and global ecosystems due to their benefits on people, animals, and the planet.

Access the **FREE** Tree Promise Activity and Volunteer Guide to lead your family and friends to take action together!

Ready for an overnight adventure?

New camp sampler sessions have been added to the summer 2025 schedule! Girl Scouts who will be Brownies this fall are eligible to attend. If your Girl Scout is ready for an overnight adventure but not quite ready for a full week away from home this is the camp for them! These three-day sessions give Girl Scouts a chance to experience camp on a shortened timeline. Girl Scouts who attend these sessions are always excited to return the next summer for a full session!

Overnight camps are available for Girl Scouts in second grade and older! Overnight camp is a world to itself – away from screens and competition, you'll connect with nature and one another in a girl-led, supportive environment. Here, Girl Scouts discover the power within, build resiliency, self-esteem, and confidence. All while having the time of their life.

GSCO offers overnight camps at Sky High Ranch and Tomahawk Ranch.

Sky High Ranch is a gorgeous mountainous camp near Woodland Park, about an hour from Colorado Springs, and two hours from Denver. At overnight camp at Sky High Ranch, campers might dip into a beautiful mountain pond one day, fly down the mountain on a zipline another day, and sleep beneath a million stars by night. They'll experience life away from it all, make new friends, learn some crazy camp songs, meet cool counselors from all over the world, and get to know some pretty cool barn animals too.
Visit Sky High Ranch on Sunday, May 18, 10 a.m. - 1 p.m. No registration is required for this free event.

Tomahawk Ranch is a beautiful sunny property near Bailey, about an hour from Denver and two hours from Fort Collins and Colorado Springs. At Tomahawk Ranch campers create amazing connections, make new friends, meet counselors from all over the world and get to know some pretty cool pigs, llamas, chickens, goats, and even the barn kitty too. Explore the Rocky Mountains on horseback, gaze at the stars, enjoy a s'more, and have an amazing outdoor adventure!
Visit Tomahawk Ranch on Saturday, May 31, 10 a.m. - 3 p.m. for a fun open house event! No registration is required for this free event.
