Join the Celebration!

Within every girl lies the power to shape the future. Each year on International Day of the Girl, the global community comes together to amplify girls' voices and inspire them to take action to make the world a better place.

Celebrate the strength, courage, and potential of girls from all over the globe this Oct. 11 by downloading the free activity guide. Once a Girl Scout completes the guide's fun activities, they'll unlock the special patch to proudly display.

Girl Scout Journeys are officially retired

As of Oct. 1, Girl Scout Journeys have officially retired from the Girl Scout program. All Journey program materials have been removed from the Volunteer Toolkit, and any remaining patches and pins left on the shop website are first come, first served. Any Girl Scout working on a Highest Award can continue to count a previously completed Journey as a prerequisite for their level of Highest Award. More information can be found on our website.

It's not too late to participate in Fall Product Program

The Fall Product Program is a great way for troops to earn startup funds for Girl Scout activities throughout the year or to get one step closer to reaching their next goal. All troops receive 14% of magazine, BarkBox, and Tervis tumbler orders as troop proceeds, plus \$1.15/per item for nuts and chocolates sold.

Girl Scouts can participate as individual members or with their troop. In addition to earning funds, girls can earn rewards, including a personalized patch, enter [Fall Product Program contests](#), and become part of the S'mores Club!
