Get outdoors this summer!

Girl Scouts are forces of nature -- and they were meant for outdoor adventures. Whether they're experiencing their first overnight camp, discovering soaking in new adventures at day camp, or spending time with the whole family at camp, every outdoor adventure grows a Girl Scout's "I've got this" attitude. And once they unlock that confidence, they'll aim as high as the stars they see outside their cabin window.

Be a camp Counselor in Training!

Do you have dreams of being a camp counselor one day? Enhance your leadership and camp counseling skills as a CIT. Learn to create lesson plans, develop behavior management and discipline strategies for campers, and improve your camping and outdoor skills.

- CIT 1 is for Girl Scout Seniors entering 10th grade and Ambassadors.
- CIT 2 is campers who have completed CIT 1. They are part of a unit and use the skills they have acquired in CIT 1.
- CIT 3s can select a leadership pathway for the duration of their session.

Test your limits with the Outdoor Adventure Club

The Outdoor Adventure Club is an opportunity for girls to lead their own adventures, challenge themselves to try something new, and push their boundaries! The OAC is a staff-led program offering outdoor adventures around the state that expose older Girl Scouts to outdoor activities and skills beyond what they might do with their troop. This summer, girls have the opportunity to go backpacking, rafting, and rock climbing.
