### There's still time to join OGAB!

Applications are still open for the Older Girl Advisory Board (OGAB). OGAB is a group of Seniors and Ambassadors (9th-12th grade) from across Colorado who direct feedback to staff about programming and girl engagement. OGAB members meet monthly for one to two hours via Zoom, and members get to attend weekend retreats twice a year, where they dig into program and leadership development, planning, and lots of fun! Applications close Aug. 25.

### Celebrate National Peach Month

August is National Peach Month, and in Colorado that means it's time for Palisade peaches! What better way to celebrate the month than to earn a fun Girl Scout cooking badge? Ask your Girl Scout if they would like to earn the Senior Locavore badge or the Ambassador Dinner Party badge. By completing this badge, Seniors will learn how to prepare a meal of seasonal and locally grown dishes, and Ambassadors will learn how to make and serve a fabulous three-course meal.

### Make Kindness the Norm!

Let's face it: The world could use a little more kindness. GSCO has partnered with the Anschutz Foundation and Random Acts of Kindness to support Girl Scouts to become true champions of kindness. In the Kindness Challenge patch, Girl Scouts explore the power of kindness and how both receiving it and sharing it with others can truly change the world, one kind act at a time.
