Join the Older Girl Advisory Board!

Applications are now open for the Older Girl Advisory Board (OGAB). OGAB is a group of Girl Scout Seniors and Ambassadors (9th-12th grade) from across Colorado that provide direct feedback to GSCO about programming and girl engagement. It's also an opportunity to work on professional development, event planning, and team collaboration, among many other skills. OGAB members meet monthly for one hour via Zoom, and members get to attend weekend retreats twice a year, where they dig into program and leadership development, planning, and lots of fun!
