

## **Girl Scout Activity Insurance**

GSUSA and Mutual of Omaha expanded the automatic coverage for Girl Scout members (Basic Plan 1) to include non-member participation and overnight trips lasting longer than two overnights without a time limit (overnight trips up to 2 nights were previously and continue to be covered under Basic Plan 1). This enhancement is expected to reduce costs to troops and minimize a distracting administrative burden for council staff and volunteers.

These plans cover Girl Scouts participating in any council-approved, supervised Girl Scout activity. Activity Insurance Plan 3PI is mandatory for all international travel.

When you submit your <u>Application for Trip Authorization Form</u>, you will receive information on how to purchase additional travel insurance.

The minimum enrollment fee for each optional insurance plan is \$5.00. If the Activity Insurance cost of your planned event is less than \$5.00, you are still required to pay the minimum enrollment fee of \$5.00. However, more than one event can be submitted using the same enrollment form to help meet the minimum fee.
